For purposes of this solicitation, wherever the name of a certain brand, make, manufacturer, or definitive specification is utilized, it is the intent of the Lafayette Airport Commission that such reference is used to denote the quality standard of product desired.

The Lafayette Airport Commission (LAC) encourages participation from Disadvantaged Business Enterprises (DBE) on all contractor or procurements let for goods and services and works of public improvement. DBEs include small business that are owned (51%) and controlled by one or more socially and economically disadvantaged individuals including minority or women-owned small businesses. DBE firms must be certified with the Louisiana Unified Certification Program (LA UCP). A directory of currently certified firms can be found at www.laucp.org. Respondents are encouraged to submit proposals which feature qualified DBE firms as prime contractors, subcontractors, joint ventures, or suppliers in an effort to further the mission of the LAC to continue to grow and support the DBE and small business community of Lafayette.

The Lafayette Airport Commission reserves the right to hold all Bids for up to thirty (30) days from date of receipt without action, to reject any and all Bids, to waive irregularities and any informalities.
